*Kevin Healy and April Hernandez, et al v.
Reiter Affiliated Companies, LLC,
No. 22-CV-3056, pending in the
Monterey County Superior Court*

Why did I get this notice? A class action settlement agreement and release has been reached in a lawsuit related to a criminal cyberattack on or about July 4, 2022, in which third-party criminals gained unauthorized access to Defendant's network and potentially accessed personally identifying information ("PII") relating to employer welfare and pension plans ("Data Incident"). Plaintiffs in the lawsuit allege that Defendant failed to implement reasonable security measures to safeguard PII and that it did not immediately inform those affected that their PII was compromised in the Data Incident, which allegations Defendant denies. The parties have agreed to settle the lawsuit.

Who Is Included? Records indicate you are included in the settlement as a "Settlement Class Member". You are also a "California Settlement Subclass Member" if you are a Settlement Class Member who resided in California as of July 4, 2022.

What are the Settlement Benefits?

- **Credit Monitoring:** Settlement Class Members are eligible to receive 24 months of 3-bureau credit monitoring that includes \$1,000,000 reimbursement insurance and identity-restoration services from Equifax, TransUnion, or a similar provider of credit-monitoring services.
- **Out-of-Pocket Expenses:** Settlement Class Members are eligible to receive a cash payment of up to \$4,000 for out-of-pocket expenses related to the Data Incident if certain requirements are satisfied.
- **California Statutory Benefit:** California Settlement Subclass Members are eligible to receive a cash payment of up to \$75, subject to a *pro rata* decrease.
- **Lost-Time Reimbursement:** If you are a Settlement Class Member and you are not a California Settlement Subclass Member, you are eligible to receive a cash payment of \$20/hour for up to three (3) hours (\$60 total), if you spent at least one (1) full hour performing activities because of the Data Incident.

How Do I Receive Settlement Benefits? To receive the Settlement Benefits, Settlement Class Members must submit a Claim Form to the Settlement Administrator by **November 24, 2023**. The form is available at www.July42022DataIncident.com, by calling **1-888-851-5492**, or by writing to P.O. Box 4454, Portland, OR 97208-4454. The form may be submitted through the Settlement Website or by mail.

What Are My Options? You can do nothing, submit a Claim Form, or exclude yourself from the settlement. If you do nothing or submit a Claim Form, your rights will be affected. You will not be able to sue in a future lawsuit about the claims addressed in the settlement. If you exclude yourself, you will not receive the listed settlement benefits—but you will keep your right to sue in a separate lawsuit on the issues covered by the settlement. You must contact the Settlement Administrator by mail to exclude yourself. If you do not exclude yourself, you can object to the settlement, Class Counsel's request for fees and expenses, or the Settlement Class Representative's requests for service awards. *All Requests for Exclusion and Objections must be postmarked or filed in person by October 24, 2023.*

The Final Approval Hearing. The Court will hold a Final Approval Hearing at 8:30 AM on January 19, 2024. At the Hearing, the Court will consider whether the proposed settlement is fair, reasonable, and adequate. If there are objections, the Court will consider them. You, or an attorney hired by you, may attend the Hearing, but it is not required.
